1. Welcome/Roll Call

2. NDHIN Update

- Governor did a NDHIN press release a couple of weeks ago. NDHIN ran 2 weeks of TV ads to get information on the NDHIN out to everyone across the state.
- Cooperative agreement grant ended March 14th.
- The large Participants are connected to the NDHIN with various feeds – ADT and some with ORUs. Working with approximately 30 others to onboard and have close to 800 Direct users.
- NDHIN is moving to a new version of Direct called DSM 2.0 which is the meaningful use certified version.

3. Data Domain Charter

- Discussed questions in the Charter starting on p.5

Data Use Charter -
Draft 3-17-2014.docx

NEXT MEETING: April 21, 2014 ~ 2:00 PM-3:00 PM CDT
